

# BAHAUDDIN ZAKARIYA UNIVERSITY, MULTAN

University online: [www.bzu.edu.pk](http://www.bzu.edu.pk)

## URGENT REQUIRED PART TIME FACULTY

Bahauddin Zakariya University, Multan requires qualified male/female to join as Visiting Faculty Member/ Lab Engineer to teach various courses for Fall Semester 2024. The detail of courses, concerned departments and prescribed qualifications are as under:-

Sr.#	Name of Department	Name of Course
<b>FACULTY OF AGRICULTURAL SCIENCES &amp; TECHNOLOGY</b>		
1	Department of Agricultural Engineering	Information and Communication Technologies(CT) Calculus and Analytical Geometry Differential Equations Functional English Technical Writing and Presentation Skills Fundamentals Of Chemistry Pakistan Studies and Global Perspective Probability and Statistics Sociology for Engineers Islamic Studies and Ethics Translation of the Holy Quran (I, III, V, VII)
2	Faculty of Agricultural Science & Technology	Information and Communication Technologies Introduction to Information and Communication Technologies English I Islamic Studies I Food Processing and Preservation Translation of the Holy Quran I Farm Mechanization Statistics I Arts and Humanities (Arabic language)
3	Department of Soil Science	Mathematics I Functional English I Islamic Studies/Ethics Applications of Information and Communication Technologies (ICT) Arts and Humanities I Economics of Water Resources Translations of the Holy Quran I Water Management Undergraduate and Postgraduate Courses of Soil Science
4	Department of Plant Breeding & Genetics	Undergraduate and Post-Graduate Courses of Plant Breeding and Genetics
5	Department of Forestry	Biology I Mathematics I Islamic Studies I Pakistan Studies Introduction to Information & Communication Technologies Functional English I Sociology Undergraduate and Post-Graduate Courses of Forestry
6	Department of Agricultural Business and Marketing	Application of Information and Communication Technologies Functional English I Islamic Studies I Civic and Community Engagement Translation of the Holy Quran I Statistics Introduction to Expository Writing Ideology and Constitution of Pakistan Exploring Quantitative Skills Statistical Methods for Social Sciences
<b>FACULTY OF ISLAMIC STUDIES &amp; LANGUAGES</b>		
7	Department of English	English Literature/ Linguistics I Translation of the Holy Quran Human Rights I Exploring Quantitative Skills Islamic Studies I Ideology and Constitution of Pakistan Environmental Sciences I Psychology Applications of Information & Communication Technologies
8	Department of Urdu	Functional English I Literary Classics I Social Sciences Quantitative Reasoning-I I Islamic studies Naazra + Translation of Quran e Kareem Application of Information and Communication Technologies (ICT) Entrepreneurship I Civic & Community Engagement History & Civilization: An Introduction
9	Institute of Islamic Studies	Functional English I Natural Science I Quantitative Reasoning-II Application of Information and Communication Technologies (ICT)
10	Department of Arabic	History I Islamic Studies/Ethics I Ideology & Constitution of Pakistan Functional English I Exploring Quantitative Skills Application of Information and Communication Technologies (ICT) Environmental Sciences I Civics
<b>FACULTY OF COMMERCE, BANKING &amp; BUSINESS ADMINISTRATION</b>		
11	Institute of Banking & Finance	Corporate Finance I Civic and Community Engagement Corporate Environmental Sustainability I Banking and Business Law Business Mathematics & Statistics I Corporate Governance Islamic Banking/Finance I Financial Management Digital Business Communication I Islamic Studies Functional English I Arabic I English (Oral & Business Communication) Banking and Financial System of Pakistan
12	Institute of Management Sciences	Marketing I Project Management I Finance Business and Corporate Law Islamic/ Quran Teaching and Translation Ideology/Constitution of Pakistan/Civics Mathematics/Statistics/Quantitative Reasoning
13	Department of Commerce	Mathematics I Statistics I Islamic Studies I English Accounting I Finance I Economics I Sociology I Business Application of Information and Communication Technologies (ICT)
<b>FACULTY OF ARTS AND SOCIAL SCIENCES</b>		
14	Department of Education	Functional English/English Content Natural Sciences/General Sciences Social Sciences Exploring Quantitative Skills Civic & Community Engagement ICT in Education Islamic Studies Undergraduate and Post-Graduate Courses of Urdu
15	Department of International Relations	Functional English I Islamic Studies/Ethics I General Science Introduction of International Relations Introduction of Political Science Civic & Community Engagement I Quantitative Reasoning-I Application of Information and Communication Technologies (ICT) I International Relations 1945-Present Foreign Policy Analysis I Introduction to Defence and Strategic Studies Foreign Policy of Pakistan I Introduction to International Security Research Methodology Regional and International Organizations Public International Law-I I International Political Economy Comparative Foreign Policies of US, Russia and China Regional Connectivity and CPEC I International Politics of Environment Politics of Indian Ocean I Contemporary Political Ideologies Translation of Holy Quran
16	Institut of Media and Communication Studies	General Science I Islamic Studies I Functional English Translation of Holy Quran/Nazra Quran Civic & Community Engagement I Quantitative Reasoning-I Application of Information and Communication Technologies (ICT) I Sub Editing and Page Designing Introduction to Mass Communication Contemporary World Media I Research Method-I Introduction to Electronic Media News Reporting and Writing I Online Journalism Feature Column and Editorial Writing Media Seminar I Media Ethics and Laws Radio News and Production I Theories of Communication-II T.V News and Production I Radio Program Production T.V Program Production I Media Management and Marketing Media in SAARC Countries I Theories of Influence on Media Content Mass Media & Society I Research Methods-I Communication Theories-I
17	Department of Pakistan Studies	Islamic Studies I Functional English I Global Politics and Geography Introduction to Economic I Civic & Community Engagement Quantitative Reasoning-I I Human Rights in Pakistan Social Change and Development in Pakistan The Folk of Pakistan I Environment Problems in Pakistan
18	Department of History and Civilization Studies	English I Computer/Information Technology Political Science I General Science I Psychology

Sr.#	Name of Department	Name of Course
19	Department of Political Science	BS Political Science I BS Public Administration BS Defence & Diplomatic Studies I MPhil Political Science M.Phil Public Administration I English I Islamiat Economics I Quantitative Reasoning
20	Department of Sociology	Introduction to Psychology I Introduction to Gender Studies Functional English I Islamic Studies/Ethics I General Science Civic & Community Engagement I Quantitative Reasoning-I Applications of Information & Communication Technologies (ICT) Basic Epidemiology I Health Promotion & Social Mobilization Health Professional Education I Community Nutrition Community Pediatrics Fundamental Principles of Infectious Diseases Mental Health I Health Marketing I NGO Management Community Nursing I School Health Entrepreneurship I Project Planning & Management Different Subjects of Sociology
21	School of Economics	Functional English I Islamic Studies I General Science Introduction to Geography I Civic & Community Engagement Application of Information Technology Financial Analysis I Investment Analysis Financial Reporting & Analysis
22	Department of Applied Psychology	Functional English I Islamic Studies I General Science Civic and Community Engagement I Quantitative Reasoning-I Applications of ICT I Introduction to Economics Introduction to Journalism I Different Courses of Psychology
23	Department of Sports Sciences	Functional English I Islamic Studies/Ethics I General Science Civic and Community Engagement Quantitative Reason-I(GED-203) Application of Information and Communication Technologies (ICT) I Sports Sciences(Various Courses)
24	Department of Geography	Geography & Relevant Subject Civic & Community Engagement Islamic Studies Application of Information and Communication Technologies (ICT) Functional English Quantitative Reasoning-I Environmental Science Psychology Research Geography of Pakistan (History & Politics) Translation Of Holy Quran
25	Multan College of Fine Arts	Functional English I Islamic Studies I Introduction to Sociology Environmental Science I Quantitative Reasoning Civic and Community Engagement I Drawing I Painting Ceramics I Print Making I Regional Craft I Esthetics Packaging I Typography I Photography I Digital Tools Art Software I Web Design
26	Institute of Social & Cultural Studies	Islamic Studies / Ethics I Quantitative Reasoning-I Applications of ICT I Criminology I Anthropology Public Finance I Library and Information Sciences Principles of Accounting I Computer Applications I Social Work Criminal Psychology I Philosophy & Theories of Law Sociology I Theoretical Perspective on Crime and Criminals Auditing I International Trade Theory and Policy I Research Law of Evidence/Expository Writing Ideology and Constitution of Pakistan I Social Sciences
27	Department of Philosophy & Interdisciplinary Studies	General Science Applications of Information & Communication Technologies
<b>FACULTY OF VETERINARY SCIENCES</b>		
28	Faculty of Veterinary Sciences	English I Pakistan Studies I Economics I Islamic Studies Arabic I Computer Appreciation & Application I Anthropology Poultry Farm Engineering & Construction
<b>FACULTY OF SCIENCE</b>		
29	Institute of Molecular Biology & Biotechnology	Organic Chemistry I Natural Science(Principles of Biology) Quantitative Reasoning-I I Functional English Application of Information and Communication Technologies (ICT) I Islamic Studies/Ethics I Basic Anatomy General Genetics I Civic & Community Engagement Inorganic Chemistry I Natural Science Ecology and Ecosystem Medical Physiology I General Microbiology I General Pathology Bioinformatics I Virology I Bionanotechnology Transcriptomics I Forensic Biology Translation of the Holy Quran-I, III, V, VII Advances in Agricultural Biotechnology I Genomics
30	Department of Microbiology & Molecular Genetics	Microbiology/Microbiology & Molecular Genetics Biotechnology/Molecular Biology I Bioinformatics Biochemistry I English I Zoology Mathematics I Social Science I Islamic Studies Computer Science
31	Institute of Physics	Physics I Mathematics I English Application of Information and Communication Technologies (ICT) I Civic and Community Engagement Islamic Studies I Principal of Marketing Human Resource Management I Translation of the Holy Quran Quantitative Reasoning (I) I Functional English
32	Department of Environmental Sciences	Applications of ICT I Islamic Studies I Translation of the Holy Quran Civic and Community Engagement I Environmental Physics Environmental Economics I Research Methods in Environmental Science Energy & Environment I Disaster Risk Management Environmental Profile of Pakistan
33	Institute of Chemical Sciences	Mathematics I English I Islamic Studies Application of Information & Communication Technology (ICT) Civic & Community Engagement
34	Institute of Zoology	Animal Diversity-I (Invertebrates) Civic and Community Engagement Application of Information & Communication Technology (ICT) Islamic Studies I Quantitative Reasoning-I (Math-I) Functional English (English-I)
35	Department of Computer Science	Computer Science I Mathematics I English Islamic Studies I Nazra Quran I Applied Physics Civics & Community Engagement I MS(DS) Data Science
36	Centre for Advanced Studies in Pure & Applied Mathematics	Functional English Application of Information & Communication Technology (ICT) Islamic Studies/Ethics I Computer Programming with Python Modern Physics & Electronics I Civic and Community Engagement Object Oriented Programming with Python/JAVA/C++ (M&E) Introduction to DBMS I Classical Mechanics Principles of Management (M&E) I Business Technology I (M&E) Real Analysis II I Translation of the Holy Quran (I, III, V, VI, VII) (M&E) Real Analysis I (Evening) I Algebra II (Evening) Ordinary Differential Equations (E) I Classical Mechanics Numerical Analysis I
37	Department of Information & Communication Technology	Application of Information & Communication Technology (ICT) Discrete Structures I Functional English I Islamic Studies Programming Fundamentals I Zero Mathematics Nazra Holy Quran (Different Semesters) I Applied Physics Civics & Community Engagement I Data Structures Computer Networks I Digital Logic Design I Linear Algebra System & Network Administration I Software Requirement Engineering Entrepreneurship I Database systems I Visual Programming Financial Management I Mobile Application Development Pak Studies I Telecommunication Systems

Sr.#	Name of Department	Name of Course
38	Institute of Botany	Botany I English I Mathematics I Biostatistics Islamic Studies I Pak Studies I Information Technology Sociology I Translation of Holy Quran
39	Department of Biochemistry	Functional English I Islamic Studies/Ethics I Quantitative Reasoning-I Organic Chemistry Applications of Information Communication Technology (ICT) Translation of the Holy Quran-I I Civic and Community Engagement Physical Chemistry I Natural Science I Translation of the Holy Quran Plant Biochemistry I Environmental Biochemistry Introductory Biochemistry I Molecular Biology Immunology I Elective-I I Plant Biochemistry Environmental Biochemistry I Cell Biology
40	Department of Statistics	Functional English I Islamic Studies I Civic and Community Engagement Natural Sciences I Translation of Holy Quran-I, III, V, VII (M&E)
41	Department of Communication and Cyber Security	Quantitative Reasoning (Calculus-I) Ideology and Constitution of Pakistan I Functional English Islamic Studies I Translation of Holy Quran-I Applications of Information & Communication Technologies (ICT) Data Structure and Algorithm I Complex Variables & Transforms Data Communications I Natural Sciences(Applied Physics) Probability & Statistics I Civic and Community Engagement Analog and Digital Communication I Remote Access Network QOS in telecommunication I Wireless and Mobile Communication Microcontroller and Embedded System I Network Operating system Project Management I Information and Network Security Discrete Structure I Object Oriented Programming (E)
<b>FACULTY OF ENGINEERING &amp; TECHNOLOGY</b>		
42	Department of Electrical Engineering	Linear Circuit Analysis (Practical) I Introduction of Computing (Practical) Applied Physics (Practical) I Electrical Network Analysis (Practical) Electrical Machines (Practical) I Data Structures and Algorithms (Practical) Signals and Systems (Practical) I Microprocessor Systems (Practical) Power Electronics (Practical) I Advanced Electrical Machines (Practical) Electrical Power Transmission (Practical) I Islamic Studies/Ethics Functional English I Pakistan Studies I Nazra Quran/Arabic Technical Writing & Presentation Skills I Social Anthropology Entrepreneurship
43	Department of Civil Engineering	Translation of the Holy Quran (I,III,V,VI, VII) I Entrepreneurship Business Communication I Functional English
44	Department of Mechanical Engineering	Islamic Studies I Comprehension and Composition Applied Chemistry I Engineering for Social Change Engineering Probability & Statistics (Theory + Lab) Technical and Business Writing I Entrepreneurship Translation of Holy Quran (I, III, V, VII)
45	Institute of Advanced Materials	Applied Mathematics-I, II I Applied Chemistry Communication and Presentation Skills Pakistan Studies I Social Psychology Civic and Community Engagement I Probability and Statistics Computational Materials Science Heat Treatment Processes (Practical/Lab work only) Corrosion Engineering (Practical/Lab work only) Translation of the Holy Quran (I,III,V, VII)
46	BZU, College of Textile Engineering	Basic Drawing I History of Art and Culture-I Digital Communication-I I Materials & Models Basic Color & Design I Fashion Detail I Textile CAD-I Fashion Design-I I Draping-I I Textile Design-I Sewing I Pattern Making I History of Costume-I Human Anatomy I Calculus and Analytical Geometry Engineering Economics I Data Science Garment Sizing and Pattern Making I Garment Production Machinery
47	Department of Computer Engineering	Applied Physics (Theory) I Communication Skills Pakistan Studies and Global Perspective Technical Writing & Presentation Skills I Technical Writing Translation of Holy Quran (I, III, V, VII) Computer Fundamentals (Practical) I Circuit Analysis (Practical) Applied Physics (Practical) I Visual Programming (Practical) Computer Architecture and Organization (Practical) Communication System (Practical) I Software Engineering (Practical) Data Warehousing and Mining (Practical)
<b>FACULTY OF PHARMACY</b>		
48	Faculty of Pharmacy	English (Morning & Evening) I Organic Chemistry (M & E) Bio Chemistry (M & E) I Islamic Studies I Pakistan Studies Pharmacognosy-II (Advance) I Pharmaceutical Analysis
49	Department of Pharmacy Practice	Pharmacy Practice IV-Hospital Pharmacy Pharmacy Practice V-Clinical Pharmacy Pharmacy Practice VI-Advanced Clinical Pharmacy Pharmacy Practice VII-Forensic Pharmacy
<b>FACULTY OF LAW</b>		
50	University Gillani Law College	Moot Cases & Role Playing I Functional English Ideology and Constitution of Pakistan Introduction to Sociology I Fundamentals of Economics Applications of Information and Communication Technologies Everyday Science (One Course from the Cluster of Nature Science) Entrepreneurship I Quantitative Reasoning-I Islamic Jurisprudence-I I Islamic Personal Law-I Criminal Law-I I Public International Law-I Constitutional Developments in Pakistan Civil Procedure-I I Law of Evidence-I Consumer Protection Laws I Comparative Human Rights Law
<b>FACULTY OF FOOD SCIENCE &amp; NUTRITION</b>		
51	Department of Human Nutrition	Human Nutrition & Dietetics I Food Science & Technology English I Islamic Studies I Pak Studies I Public Health Bio Statistics I Psychology I Mathematics Natural Sciences I Nazra e Quran I Pharmacy
52	Department of Animal Food Products Technology	Principles of Biochemistry I Basics of Agriculture Functional English I Ideology and Constitution of Pakistan Quantitative Reasoning-I I Natural Sciences A Science of Society I Statistics I Principles of Human Nutrition Lactation Biology I Global Food Issues and Consumer Behavior Introduction to Statistics I Holy Quran (III)
53	Department of Food Science & Technology	Food Science & Technology I Human Nutrition Food Chemistry I Mathematics I Microbiology Statistics I Agriculture(Agronomy) I English Pakistan Studies I Social Science I Digital Marketing Human Resource Management I Financial Accounting
54	Department of Food Safety and Quality Management	Food Safety & Public Health I Functional English Principles of Biochemistry I Exploring Quantitative Skills Biology I Food Service Management Applications of Information & Communication Technologies Islamic Studies I Food Supply Chain and Quality Management Unit Operations in Food Processing I General Microbiology Introduction to Statistics I Food Safety and Quality Control Systems Safe Handling of Foods
55	Sub-Campus Vehari	Educational Psychology I General Science I Islamic Studies Functional English I Translation of Holy Quran History and System in Psychology I Introduction to Psychology Psychology I Cognitive Psychology I Child Psychology Military Psychology I Educational Psychology

**Eligibility Criteria for Faculty Members** MS/M.Phil/M.Sc. Equivalent degree (1st Division under Annual System, CGPA 3/4, 4/5 & 5/6 under Semester System) awarded after 18-years of education in relevant subject from HEC recognized Institution with no 3rd division in academic career.

**Note** Condition of no 3rd division shall not be applicable in the qualification provided that the candidate holds a higher degree viz. PhD or equivalent degree with not more than one 3rd division in entire academic career.

**Eligibility for BS Textile Design** As per HEC criteria for Arts and Design Faculty. Eligibility for Law Courses: PhD with no experience required. OR LL.M with 5-years experience as Advocate High Court OR LL.B with 10-years experience as Advocate High Court.

**Eligibility Criteria for Lab Engineers** B.Sc. (1st Division under Annual System, CGPA 3/4, 4/5 & 5/6 under Semester System) awarded after 16-years of education in relevant subject from HEC recognized Institution with no 3rd division in academic career.

**Note** Condition of no 3rd division shall not be applicable in the qualification provided that the candidate holds a higher degree viz. M.Sc. or PhD or equivalent degree with not more than one 3rd division in entire academic career.

### HOW TO APPLY

- Candidates must apply on a plain paper and submit hard copies along with CV, attested copies of degrees, result cards, transcripts and certificates.
- A most recent passport size photograph should be affixed on the application form.
- Application received after the last date will not be entertained, even though posted before the last date.
- Candidates who intend to apply for different course(s) in a faculty shall submit separate application (only faculty wise) with necessary documents, complete in all respects.
- Applications must be accompanied with bank draft (non-refundable) of amounting **Rs.300/- (one time)** in favour of **"Treasurer, BZU, Multan"**.
- Bank Challan of the respective amount can also be deposited in the **University Branch, Main Campus, HBL A/C # 12717900643601 OR UBL A/C # 085700300018**.
- Incomplete applications (in any manner) shall not be entertained and the candidate will be considered ineligible.
- Applicants for the courses of Faculty of Engineering must be registered with PEC, NCAEC and valid certificate in this regard be attached with the application.
- Applicants for the courses of Veterinary Sciences must be registered with PVMC and valid certificate in this regard be attached with the application.
- The selected candidates will be paid **at Rs.1600/Lecture if PhD degree holder, Rs.1400/Lecture for MS/M.Phil degree holder and Rs.700/- per contact hour for Lab Engineer**.
- Applications must be sent to the Offices of **"Respective Chairperson/Director/Principal of Teaching Department"** by hand or by courier services.
- Last date for submission of the applications is **23<sup>rd</sup> August 2024** during the office hours.
- The incumbent shall not claim any right for permanent employment at BZU, Multan, on basis of this visiting appointment.
- For further inquiry & information please contact to concerned Chairperson/Director/Principal of teaching departments.

**Note:** The University shall have the right to withhold/cancel any hiring, without assigning any reason.

**Dr. Muhammad Binyameen**  
Director Public Relations
